

The MBOTMA - Tom O'Neill Endowment Fund

The MBOTMA - Tom O'Neill Endowment Fund was established in 1998. Proceeds are used for mentorships, scholarships, workshops, classes, and other educational activities related to bluegrass and old-time music.

The fund is named in memory of the late Tom O'Neill, one of MBOTMA's founders. We benefit from his foresight in recognizing the need for an organization like MBOTMA, and from his help in getting it up and running. Much of MBOTMA's success is the result of Tom O'Neill's dedication and volunteer efforts.
