

# MINNESOTA AMERICANA-ROOTS BAND CONTEST

Minnesota State Fair – West End Stage, September 4, 2021

## Stage Plot & Tech Request

When you take the stage, you will have a few minutes to work with the stage crew, check mics, and set your monitor levels. **Please indicate on the plot below where each player will be onstage, each instrument, and where the mics go for each vocal and instrument.** We will provide all mics, stands, cables, as well as a bass amp, if needed (Gallien-Kruger MB112-II 150 Watt 1x12). Bring only your instruments. Contest rules prohibit any other amplifiers, D.I.s, or electronic instrumentation, except for the bass amp. **Print out and complete this form and send a digital copy to [vidyabluegrass@gmail.com](mailto:vidyabluegrass@gmail.com) by August 16 (scanned or photographed is fine). Your registration will not be considered completed until we have received it.**
